

**Welcome Agricultural Vendors 2020
Tehachapi Farmers Market**

The Farmers Market will be on Thursdays, from May 7th through August 13th, from 4:00pm to 7:30 pm, on Green Street in downtown Tehachapi. This will be a fifteen week season.

There is no commission to be paid on your sales. There is a \$5.00 fee for a City of Tehachapi business license if you do not already have one. Your application fee also helps cover the costs of advertising and live entertainment.

Producers are responsible for their own signage within the allotted space in compliance with new state law: Farm's name, County of production, Certified Producer certificate number, and state:

"we only sell what we grow"

Producers are also responsible for any Kern County permits as required by that agency. Please use sandbags or alternate means to anchor your canopies or free-standing signs.

NOTE: Per the City of Tehachapi this year, absolutely no vehicles will be permitted on or off the location during market hours. They will be installing blocks that will rise up from the ground while the market is in operation.

The event always draws a crowd to Historic Downtown Tehachapi. We are committed to providing a wide selection of agricultural products to those citizens and an additional sales venue for our local growers. As always, you may park your produce truck near your space.

The attached application shows the fee structure based upon space size. Please take a moment to review and complete the enclosed application, then return it with your fee by mail. To pay by credit card, please contact me.

Thank you for your time and participation!
