

BECOME A SPONSOR

this Farmer's Market season
May 7 to August 13, 2020 Thursdays 4:00 - 7:30pm

We are extremely proud to offer the community farm fresh produce grown locally and need your support! Are you a Farmer Advocate? With your help we can put a gift back into the farmer's hands and refund their enrollment fee so that participation will not cost them anything during this season of harsh market closures. Your sponsorship will be rewarded at whatever level you choose to participate. Sponsorship is the very foundation in which Main Street Tehachapi's efforts thrive to fulfill our mission of enhancing economic stimulation of downtown Tehachapi!
